Classroom Communicators List

Thank you to all who volunteered to be Classroom Communicators! Here is the list of [Classroom Communicators](#) and their contact information. You should be hearing from your Classroom Communicator this week (if you haven't already). We hope that having this point of contact for your classroom will help you feel more connected during this unusual year.

It's Not Too Late to Join! FUNd Run 2020!

Register [HERE](#) Today!

Why Register?

Your registration fees directly support D112 students in need! Dr. Grable uses the funds provided by the 112 Education Foundation to support Indian Trail students with essential items such as school supplies, books, and music instrument rentals.

Can I Register to Support the Cause and Not Run/Walk?

Absolutely! If you'd like to support students in our community but then choose to skip the run, that's fine too. However, if you do run or walk, there will be signs at each D112 school where you can take a photo and tag @112foundation on social media! All registrants will be entered into a raffle for some fun prizes from local businesses.

New Families - Have You Returned Your Yard Signs?

At your convenience, please return your Welcome to Indian Trail signs neatly to the front of the school, under the main entrance awning. Please do not stack signs in front of any other materials awaiting pick up. Thank you for your help as we reuse these signs each year to save resources.

Looking to pick up a quick lunch or dinner for your family while supporting local businesses and the PTO?

Click on the Marla's lunch bag above for details and ordering instructions! Preorder for each week. On the day of your order, simply pick up your pre-labeled food from the restaurant at your chosen time. No Waiting - Pull Up - Mask Up - Grab & Go!
